

DISASTER RECOVERY CONSORTIUM

The Lee County Disaster Recovery Consortium began meeting in 2008. The groups focus is on business continuity/disaster recovery for regional local government and partner agencies. Today the group consists of 44 Information Technology professionals representing 20 regional agencies. Meetings are held bimonthly at the Lee County Administration Building in downtown Fort Myers. For additional information, please contact Toni Bleiweiss at tbleiweiss@leeclerk.org or 239-533-2171.
