

NEED HELP FUNDING A PROJECT?

THE SOUTHWEST FLORIDA REGIONAL PLANNING COUNCIL
Has a Proven **Grant Writing Team** with **Grants and Project Management Experience**

Do you need help funding a project?

Do you need assistance navigating the sea of grant forms?

Does your agency need help with reporting?

SWFRPC offers a wide variety of grant-related services that can be used to help fund and implement projects.

- ❖ Identification of potential state, federal, or private funders.
- ❖ Preparation and submittal of Letters of Inquiry or applications to potential funders.
- ❖ Proofreading and editing grant applications.
- ❖ Grant management services to implement the grant.
- ❖ Serve as co-applicant to implement projects on a multi-county or regional scale.

Areas of grant management specialties include (but not limited to):

- | | | |
|----------------------|------------------------|--------------------------------|
| * Arts & Culture | * Community Planning | * Economic Development |
| * Education | * Emergency Management | * Environment & Sustainability |
| * Energy | * Hazardous Materials | * Public Policy |
| * Regulatory Affairs | * Transportation | * Building Resiliency |
