Our Mission is to provide safe, compassionate, reliable transportation for the disadvantaged and disabled.

We have served the community for years as the state-designated Community Transportation Coordinator (CTC) and the major transportation provider for the Transportation Disadvantaged* in Lee, Hendry and Glades Counties. In this capacity, we provide special-needs transportation to our elderly, disabled and less-fortunate neighbors.

**To become eligible to receive TD service, you must fill out an application and provide proof of your pre-tax household income.*
