

**Minutes
Legislative Committee
May 17, 2018**

Attendees: Chairman Thomas Perry, Treasurer Don McCormick, Phil Flood and Executive Director Margaret Wuerstle

The following Items were discussed:

Mr. Phil Flood explained that the Water Quality Committee of the Southwest Florida Regional Planning Council (SWFRPC) met on May 9, 2018 at 2:00 PM. Mr. Phil Flood and Ms. Margaret Wuerstle were in attendance. There were no callers on the phone. The discussion centered around water quality issues that may be of importance to the SWFRPC. The following were identified as issues that the SWFRPC may want to work on:

1. Septic to Sewer – Identification and mapping of areas services by sewer lines; identification of priority areas.
2. Septic Tank Inspection Program
3. Legislative Priorities regarding Septic to Sewer issues

The consensus of the Legislative Committee was that septic to sewer issues were important to the region and that a discussion on these issues should be held at the board meeting.
