FLC Board of Directors:

Speaker Crisafulli has announced the membership for legislative committees for the 2014-2016 legislative term (attached). As promised, we are sharing this information with you for your review. We encourage you to review this list and make special note of not only your legislators' assignments but also those legislators who have been assigned to the committees and subcommittees that directly influence your adopted action issues.

Finally, please take a couple of minutes to call your legislator and congratulate them on their committee assignments and ask how you can help them as they prepare for the 2015 session.

Please let us know if you have any questions.

C. Scott Dudley  
Legislative Director
