19. Pending: (3/2021) \$11,000 The DRI training is a day-long on-site training created to help communities understand how COVID-19 has impacted their community and identify the available resources that each community can leverage. Through this training, the community will be able to identify a strategy for the creation of a locally-based economy that will support the quality of life necessary to retain families and professionals. Our end goal is to provide each community with the training and tools necessary to become

proactive with private development, encouraging the right types of development and attracting necessary services. Additionally, the training will help identify what is necessary to master the Duration, Intensity, Rate, and Timing (DIRT) of development, utilizing private development to fulfill necessary and desired community amenities or services. Furthermore, the Revitalization Roadmap is a hybrid downtown and strategic plan, offering a set of implementable recommendations that will catalyze downtown revitalization. The final product is graphically rich and broken down into similar groups like the National Main Street Center's four-step approach to revitalization. The overall roadmap process will encourage the unification of residents' voices and rally support for improvements by all residents.
